Welcome to July, Members and Friends:

BVS Cultural Arts Association is still dusting itself off from the long sleep which we have all experienced. However, we are awakening, and making progress with educational and musical events, as well as a change in our event line up.

June: Classical Music at a private Bear Valley Residence, filled to capacity and beautiful music.

Sunday, July 25th starting at 3:00 p.m. until 5:00 p.m.: You are in for a fun afternoon at Cub Lake with BLONDE MUSTARD. Great pop and rock, and vocals by Gloria and others. A pleasant, cool breeze and great music. Bring your family, friends, chair, food and beverage. For a gate pass, request one from a Bear Valley resident or from a CAA Board Member.

There will be a raffle of wines from a well known local vineyard. Raffle tickets are \$2.00 each or 3 tickets for \$5.00. For early ticket purchase, Eva: 661-619-3043. Concert is FREE. Donations welcome.

The Book Fair - Meet the Authors that was planned for late June had to be postponed. We had an excellent response from local authors with a variety of intriguing genres that I'm sure would have been added to your summer reading list. We are sorry to postpone this event until next year, when we can give it the attention the authors deserve. For any author who became a CAA Member to participate in this event, a refund will be made at your request. Thank you for your patience.

Please see the CONTEST info in this Newsletter open NOW to everyone.

Happy 4th of July,

*Jeanette Roye*, President  
BVS Cultural Arts Association

## INTRODUCING ROBERT HARDY by Michelle Miller

Robert says of his life in photography, "Having worked for over 40 years as a professional photographer, with most of those years devoted to advertising photography, I went into fine art landscape photography a few years after my retirement.

I have found both professions to be challenging and rewarding experiences. Advertising placed time constraints and special requirements to fulfill the assignments, while fine art landscapes required nature's cooperation, and traveling long distances to remote locations. When nature does not cooperate, I go back again and again to achieve the desired result ... which is to stimulate the visual senses of my viewers. Both occupations require great discipline and dedication. Without those qualities, I would never have been successful in accomplishing my goals."

## TAC PLANS OPENING GALA FOR ART 2021 SHOW

By Michelle Miller

It was a little more than two years ago that the Tehachapi Arts Commission was formed to establish Tehachapi as a nationally known destination for plein air artists. On May 14th, after two years of planning, 38 artists from all over the country arrived in Tehachapi to participate in Art 2021, the first plein air paint-out hosted by the TAC. The artwork resulting from that weekend will be juried into a nationally recognized public art show in Tehachapi July 23rd, 24th, and

25th. The three-day event will be held at Aspen Builders Community Activity Center, located at 410 West D Street.

Although the show is open to the public on Saturday (10:00 - 4:00) and Sunday (10:00 - 3:00,) local residents will have the opportunity to attend a preview of the collection, and purchase paintings at a Friday evening VIP gala from 5:00—9:00 p.m.

Tickets for the VIP event are \$100 (advance purchase only,) and will include an open bar and hors d'oeuvres provided by Bord A Petit from Bakersfield. It is dressy attire, business, or Western. Proceeds will benefit Adventist Health Tehachapi Valley Foundation to be used in future art purchases for the hospital. Tickets for this premier event can be purchased at: [info@artstehachapi.org](mailto:info@artstehachapi.org) or by calling Laura at (626) 945-3753.

The artists will be at the event all three days to answer questions and discuss their inspirations. Each artist will be submitting two paintings and a miniature, and all will be available for purchase.

The Tehachapi Arts Commission is a 501 (c)4 nonprofit with the mission *to establish Tehachapi as a destination for representational fine artists and collectors.*
